Rep. Slaughter Issues Statement on Kodak Job Cuts

Rochester, NY - Congresswoman Louise M. Slaughter (D-NY-28), Chairwoman of the House Committee on Rules, today issued this statement following recent reports that Eastman Kodak Co. will cut around 1,300 jobs locally:

"It is a tragedy for me to watch Eastman Kodak go from employing around 60,000 people when I was first elected to a fraction of that number today.

From community healthcare to public benefits, Kodak has contributed greatly to making Rochester a wonderful place to live.

We hoped that Kodak had finished making cuts. It is important that Kodak succeed and I want to do all I can to help them weather this economic storm."
