Slaughter Announces $695,902 in Federal Grant for Child Abuse Research at U of R

Rochester, NY - Congresswoman Louise M. Slaughter (D-Fairport), Chair of the House Rules Committee, today is proud to announce that the Department of Health & Human Services, Institute of Mental Health has awarded a research grant of $695,902 to the University of Rochester. This federal funding will go towards the University of Rochester's child abuse and trauma related psychopathology project.
