WASHINGTON – Congresswoman Louise Slaughter (NY-28) today announced a new location for her Niagara Falls district office. As of Friday, her Niagara Falls office will be located at 640 Park Place in Niagara Falls.

The office will be open weekdays from 8:30 am to 5:30 pm.

New Office Location and Hours:

640 Park Place

Niagara Falls, NY 14301

Phone: (716) 282-1274

Fax: (716) 282-2479

Hours: 8:30 am- 5:30 pm, Monday-Friday

“While having our home on Pine Avenue has been wonderful, we’ve outgrown that space and are happy to find a space that has more room to serve the people of Niagara Falls. Our new facility will feature a larger parking lot and is completely wheelchair accessible,” said Slaughter.

The Niagara Falls office will be available to constituents to help with any issues involving federal agencies, assist veterans seeking help from the VA, assist seniors with Medicare, Social Security or home heating issues, help local businesses looking for federal loans and offers internships to local college students who are interested in learning more about the federal government.

“Whether you are trying to start a small business or locate a missing Social Security check, my office can help,” said Slaughter. “My staff can provide information from federal agencies, help local businesses identify useful federal programs, or act as liaison to solve problems.”

Slaughter has two additional district offices in downtown Buffalo and Rochester.
