Rep. Slaughter Announces \$471,200 in Funding for Rochester's Wesleyan Collage

Grant Will be Used for Construction of Library and Information Resource Center

Washington, DC - Rep. Louise M. Slaughter (D-Fairport), Ranking Member of the House Rules Committee, is pleased to announce that the Department of Housing and Urban Development (HUD) has awarded a grant of \$471,200 for Roberts Wesleyan College in Rochester. The money will be used to complete construction of a new Library and Information Resource Center on campus.

"Wesleyan has been an invaluable institution for generations, and is one of the reasons why people see Rochester as the great city it is," Rep. Slaughter said. "As it moves forward in its efforts to provide students with an even better learning environment, we should all be eager to help Wesleyan in any way we can," she added. "I am so pleased that HUD has continued to invest in Wesleyan, because it has always invested in us."

The funds were awarded by the Department of Housing and Urban Development.
