Tickets and Tours

Washington, DC offers a wide variety of incredible educational opportunities. Most tours and events are free, but some require advance reservations. Rep. Slaughter can assist with the most popular tourist attractions, listed below.

The White House*

The U.S. Capitol

The John F. Kennedy Center for the Performing Arts

The Bureau of Printing and Engraving

The Supreme Court

*For White House tours, please submit your request at least four months in advance of your desired tour date. Because of limited availability for these tours, it is best to send me your request as early as possible.

Please use the form below to request tickets.

Please note: While requesting a ticket early increases the likelihood of receiving a tour, I must note that it is not a guarantee due to the limited number of tickets available. A final decision on availability is quite often not known until just a few weeks prior to the date of the tour. Please be assured that I will inform you of availability as soon as possible, and that my office will make every effort to make sure that your visit is enjoyable.
