Presidential Greetings

Rep. Slaughter is happy to assist constituents in requesting Presidential Greetings for those special occasions.

A congratulatory greeting from the President may be available for a birthday (for persons 80 years of age or over), a wedding anniversary (50 years of marriage or more), a birth (within one year), or upon achieving rank of Eagle Scout or the Girl Scout Gold Award. Please allow six to eight weeks for the White House to process your request.

For more information, please call my Washington D.C. office at (202) 225-3615.
